MEMORANDUM FOR: Chairman, National Intelligence Council
Vice Chairman, National Intelligence Council
National Intelligence Officer for USSR-EE
Senior Review Panel

FROM : MG Edward B. Atkeson, USA
National Intelligence Officer for
General Purpose Forces

SUBJECT : Soviet Global Military Strategy

1. Attached is a new draft of the Soviet Global Strategy paper originally drafted by MG Ennis Whitehead and reviewed by you. The paper has been reorganized and many of your comments have been incorporated into this new version. You will find, particularly, that this draft contains considerably more information about Soviet capabilities and exercises for multiple theater war.

2. I would greatly appreciate your comments on this paper. If we believe that it has merit, I will propose it for publication as a NIC memorandum.
